

Republican Resolution (Sunset Clause)

WHEREAS, Congress violated the rights of citizens under the 9th Amendment to vote on the Equal Rights Amendment; and

WHEREAS, the Equal Rights Amendment is required in order to provide gender-based equality in our courts and laws because Supreme Court has repeatedly held that the 14th Amendment does not apply specifically to issues of gender;

THEREFORE, BE IT RESOLVED, the Republican Party of Minnesota support the removal of the deadline for ratification of the Equal Rights Amendment to the US Constitution.
